### **GIRLS (Grades K & 1) & BOYS (Grade 1 only) Instructional League - \$15**

Kilgour Pony League is an instructional program to introduce girls (grades K & 1) and boys (grade 1 only) via separate leagues to the basics of basketball before they play on the Kilgour basketball teams (2nd-6th grades).

The main emphasis is to have FUN and develop an appreciation for the sport! The goal of the program is to offer the kids an introduction to basketball, while learning the basic rules and how to play the game. The program will include drills for dribbling, passing and shooting with scrimmages against each other.

We will organize into teams, but there will not be games against other schools. Your child must wear gym shoes and bring a properly inflated size 28½" basketball. The Registration fee is \$15 and Kilgour students have first priority due to space limitations.

**Download the form below to register!**
