Athletics Field

Cincinnati Public Schools owns the Kilgour Athletics field (a.k.a. the soccer field), which is open to Kilgour students for recess and school activities, as well as Kilgour sports teams and neighbors for practices and play. Kilgour Sports Boosters helps maintain this field and schedules soccer practices. CPS is responsible for grass cutting and trash removal. Additional maintenance services are funded and provided by the Kilgour Sports Boosters, the Kilgour PTA and Cincinnati East SAY soccer.

Cincinnati East SAY soccer league has also used Kilgour's athletics field for Passers games on weekends. This field is not open to teams other than Kilgour for soccer practice due to the heavy wear it already receives.
