---

KSB sponsors several special events created to raise funds and recognize student athletes:

- Sports Recognition Night (April)

Kilgour Sports Boosters recognizes those students who have participated in all sports at this recognition event held each spring at Kilgour School.

- Mustang March Madness (March)

Every year, Kilgour basketball celebrates the end of a great season during this fun, energetic exhibition. Our boys and girls showcase their basketball talents in front of parents, teachers and classmates. Last year, over 250 people enjoyed the action-packed games officiated by such celebrity referees as Mr. Kennedy (Kilgour's popular gym teacher) and his daughter.

- 5K race/walk (third Friday in May)

Kilgour's annual 5K race/walk is one of the most popular Friday night runs in Cincinnati. Over 450 runners and walkers participate in this family event open to all age groups. The course begins and ends at Kilgour School. Special events for younger kids, food, non-alcoholic beverages, live music and awards are all part of the post-race fun. Proceeds benefit the Kilgour Sports Boosters. The Kilgour Carnival is the next day (Saturday) at Kilgour in Hyde Park.

- Co-ed Golf Fundraiser (first Saturday in July)

Kilgour parents, alumni and staff are invited to participate in this fun fundraiser open to men and women golfers of all abilities, from novice to scratch handicappers. This event is a nine-hole, four-person scramble. Teams are formed based on skills levels in a blind draw. Singles are welcome. Awards and post match dinner follow at the clubhouse. Proceeds benefit the Kilgour Sports Boosters.
